SB 210 Nutrition Compliance Report – May 2020  
St. Bernard-Elmwood Place City Schools Board of Education Policy - EF

As mandated by SB 210, beginning July 2011 all schools must meet certain nutrition standards on all “a la carte” foods sold during the school day. This impacts the St. Bernard-Elmwood Place Child Nutrition Department as well as all vending and any school stores.

We are pleased to report that the St. Bernard-Elmwood Place Cafeteria has continued to meet these guidelines this school year. All of the “a la carte” snacks sold in the lunchrooms meet the Alliance for a Healthier Generation guidelines and per Board policy, all beverages meet SB 210 guidelines.

School principals are responsible for overseeing vending machines and school stores in their respective buildings. Our principals are pleased to report that their schools are also in compliance.

C. Student Transportation

It is recommended that transportation be declared impractical for the following students attending private, parochial, or vocational schools and that their parents be reimbursed the amount of \$250.00 per child, as eligible, with maximum of \$1,077.09, for transporting these students during the 2019-2020 school year. This rate has been approved by the State of Ohio, and the district will be reimbursed, pending submission of paperwork.
