First Month of School

Hello, Titan Community!

August has been an incredible month, and we have some exciting updates to share with you.

We are thrilled to report that we had a highly successful opening of school. Students, staff, and families came together, and the energy was truly remarkable. We are proud to announce that our fantastic start to the school year even caught the attention of both WLWT and WCPO news. It's wonderful to see our Titan spirit shining brightly in the community!

Additionally, we want to give a huge shoutout to our Musical Theatre, Cheerleading, Football, and Cross Country teams. They all did an outstanding job at the German Luau at the beginning of the month. Their performances and spirit were truly exceptional, and we're proud to share that they even took home the award for the Best Float in the parade!

Fall sports are kicking into high gear, and our student-athletes are already making us proud. Football, cross country, soccer, volleyball, and cheerleading are all in full swing, and the dedication and sportsmanship displayed by our athletes are commendable. Let's continue to cheer them on to success throughout the season!

In academics, our students have completed their MAP testing. These assessments provide valuable insights into their strengths and areas for improvement, enabling our teachers to tailor their instruction to meet the unique needs of each student. We are committed to fostering a supportive and enriching learning environment for all.

As we move forward into September, let's carry this positive momentum with us and keep the Titan spirit alive. Thank you for being an essential part of our school community, and we look forward to a fantastic school year ahead!

Titans Sports

Junior High Volleyball: Our teams are gaining momentum as they head into conference play next week.

Girls Soccer: We're thrilled to have 15 talented girls on the team, the most in recent years, and they're off to a strong start!

Cheerleading: Our cheerleaders are keeping the energy high at football games, with Junior High cheerleaders ready to shine.

Cross Country: Both Junior High and High School teams are impressing in their early meets, and just took home first place as a team in the Clark Invitational!

Junior High Football: Our team is gearing up for their first game next week.

High School Football: Our High School football team is on fire with a 3-0 record! This weekend, they face off against Summit Country Day, aiming to extend their winning streak on our Community Night.

STAFF SPOTLIGHT

We are delighted to shine a spotlight on our remarkable Jr. High Team, composed of Ms. Hoover, Ms. Johnson, Mrs. Bowen, Ms. Breidis, Mr. Schafer, Mrs. Goettelman, Ms. Long, Ms. Smith, Mrs. Wilson, Ms. Brame, and Mr. White. Their collective efforts recently culminated in a highly successful Jr. High Orientation, which we can't help but celebrate!

During this event, our Jr. High Team went above and beyond, dedicating their time and energy to meticulously plan and execute a memorable evening. Their hard work and commitment ensured a massive turnout of students and their families, creating an atmosphere of warmth, excitement, and confidence as we prepare to embark on the new school year.

Their dedication, not only to teaching but also to fostering a welcoming and inclusive community, is truly commendable. We are incredibly fortunate to have such a passionate and caring group of educators guiding our students.

So, to our Jr. High Team, we extend our heartfelt gratitude for your outstanding teamwork and unwavering dedication to our school community. Thank you for making Jr. High Orientation a resounding success and for creating an environment where our students feel valued, supported, and inspired. Here's to a fantastic school year ahead, led by this exceptional team!

Start With Hello Week

SBEP is joining Start with Hello week, a vital initiative by the Sandy Hook Promise, aimed at educating and empowering both youth and adults to prevent violence in schools, homes, and communities. During the week of the 18th, we'll focus on fostering positive peer relationships through engaging lessons. Additionally, we're excited to welcome guest speakers from "I'mPortant" to share their insights. Furthermore, we're initiating a valuable partnership with Talbert House, who will be conducting group sessions to enhance our students' ability to build positive peer relationships. Together, we're making our community safer and more connected.

"A Walk Down Memory Lane"

We want to extend our deepest gratitude to all the community members, families, and staff who joined us for our "Walk Down Memory Lane" events. Both times were incredibly packed with the Titan community coming together to share cherished memories and take one last look at our beloved building.

It was heartwarming to see the halls filled with laughter, stories, and nostalgia as everyone reminisced about their time here. These events not only allowed us to celebrate our history but also provided a glimpse into the bright future of our beautiful new school.

Your presence and participation made these occasions truly special, and we are thankful to have such a strong and supportive Titan community. As we move forward, let's carry the memories of our old building with us and look ahead to the exciting adventures that await in our new school.

Once again, thank you for being an essential part of our journey, and we can't wait to create more wonderful memories together in our new home.

After School Clubs

We are thrilled to introduce our exciting lineup of after-school clubs for the upcoming school year! These clubs offer an excellent opportunity for students to dive into their passions, develop new skills, and build lasting friendships outside the classroom.

Our current offerings include the Homework Assistance Club, American Sign Language Club, Spirit Squad, Student Council, and many more to come! Whether your interest lies in academic support, cultural enrichment, leadership development, or simply having fun with like-minded peers, there's a club for you.

But here's the best part: if you have an idea for a club that's not currently on the list, we encourage you to take the initiative! Students interested in starting a new club should talk to their teachers about their vision and work on finding a staff member willing to sponsor the club. We believe in empowering our students to create and lead clubs that reflect their unique interests and talents.

Stay tuned for more details about club meeting times and how to get involved. Join us in making this school year an enriching and memorable experience through our diverse range of after-school clubs.

We can't wait to see our Titans explore their passions and thrive in these exciting extracurricular activities!

 @SBEP_Athletics

Hats off to Esmerelda Damian Bibian and Miguel Damian Bibian for their fantastic victories in the High School Girls and Boys Races at the Clark Invitational Cross Country meet!

Meanwhile, on the football field, Emma Rutemueller made history by setting a new record for the most PATs in a game. And let's not forget Demico Harris, who's rewriting the record books with his exceptional performances. He's currently leading all Ohio players with a remarkable 856 rushing yards. Keep that SBEP spirit soaring as we continue to create history on the gridiron!
