## November at SBEP

Titan Community,  
As we approach the extended winter break starting December 7th, I'm thrilled to share some exciting news about the upcoming transition to our new building. Our dedicated team will be hard at work over the break, ensuring that our new space is ready to welcome the entire Titan Community back after the new year.

For an exclusive sneak peek into our new learning environment, flip to the back of this month's newsletter. The transformation is truly remarkable!

To stay informed about the move and the changes it will bring, please check your Final Forms email and the Remind app regularly for updates. Your attention to these communications is crucial as we navigate this significant transition together.

Additionally, as we plan for the return to school, please note the staggered schedule for grades:

January 8th: Grades 7, 9, 11  
January 9th: Grades 8, 10, 12

This phased return is designed to ease the transition into our new school. We believe it will provide a smoother and more comfortable experience for everyone. Finally, mark your calendars for the much-anticipated day when we all come together again—January 10th, when all grades will return to school.

Wishing you a restful and joyful holiday season! Thank you for your continued support and enthusiasm as we embark on this exciting journey together.
